

Equality, Diversity and Inclusion Policy

We improve lives by providing sustainable homes and places that are fully inclusive. Your needs matter, so we make sure our services are accessible and easy to use.

We make sure that all of our tenants receive equal opportunities and excellent service, no matter what. We will stop discrimination, harassment, and victimisation.

We review our EDI policy every three years, taking your feedback into account.

The Equality Act 2010 protects people from discrimination based on these characteristics:

- Age
- Disability
- Gender reassignment
- Marriage and Civil Partnership
- Pregnancy and Maternity
- Race
- Religion or Belief
- Sex
- Sexual Orientation

We deliver our services in a way that best fits your needs by:

- Adapting how we carry out our repairs and maintenance work in your home
- Making reasonable adjustments to your home
- Providing personalised support to you
- Listening to and acting on your feedback
- Bringing communities together
- Tackling loneliness and social isolation
- Training employees so that they understand your needs

We believe everyone should be able to live in their own home without fear of intimidation, abuse or harassment. You should treat your neighbours, our employees, contractors, and the wider community with politeness and respect. If you do not follow these conditions, we will work with our partners and the police, where appropriate, to take action.

In cases where joint efforts to resolve issues have not helped, we will work with the police to make sure you and anyone else involved are safe and well.

If you have been discriminated against by one of our employees or a contractor, you can speak with us or make a complaint.

If you think you have been treated unfairly or discriminated against, please get in touch with us so we can work together to solve any issues.

Please let us know if you or someone else in your household has any vulnerabilities.

You can report any issues by phone, email, Live Chat or My Livin app.
