

Complaints, Compliments and Feedback Policy

Our complaints, compliments and feedback processes are here for you to help us improve services. We will respond quickly, be polite, and act fairly to make sure you are listened to and we put things right.

If you are unhappy with our standard of service or something we have done or still need to do, please let us know. We treat all complaints as an opportunity to do better.

You can make a service request when you need us to put something right. For example, if we do not return your call within a reasonable timescale or we have arrived at the wrong time for an appointment. We will ring you to resolve the issues, but if you are unhappy with our response, you can follow the steps below.

Stage 1

If we do not get things right during your service request you can ask us to look at it as a complaint. We will confirm this with you in **5** working days.

One of our complaint's investigators will review your complaint and inform you of the outcome within **10** working days. This can be extended if more time is needed.

Stage 2

If we have not got things right at Stage 1, you can ask us to review our decision. This request must be made within 20 working days of us issuing our Stage 1 response. We will confirm this with you in **5** working days and assign a new complaints investigator.

They will review the original investigation and finding and let you know the outcome within **20** working days. This can be extended if more time is needed.

We will not consider the following matters as a complaint:

- Issues older than 12 months which you were aware of but didn't report
- An issue where legal proceedings have started
- An issue which has already been through our complaints process
- Anonymous complaints with not enough information

We will protect our staff from unacceptable behaviour. This includes aggressive or abusive behaviour, refusing to accept our explanation and repeating the same issue. If an illness or disability causes this behaviour, we will encourage you to seek someone to act on your behalf.

If you are unhappy at any point during the complaint process or find an outcome unsatisfactory, you can contact the Housing Ombudsman:

- 📞 0300 111 3000
